Or try the following [There are construction / detours in the area, please be careful]

To Stamford –

From NY: I95 North Exit 7 straight through light, Right at next light onto Washington Blvd.

From eastern CT: I95 South Exit 7 parallel Thruway until end, Left onto Washington Blvd. Go under bridges for several lights.

For both--Street signs may have recently changed. Keep going straight through construction site (which will become Dyke Lane). Just before large Pitney Bowes building near end of Dyke Lane (known also as Foot of Wash. Blvd.), on right side is Bateman Way and sign for Brewers Yacht Haven and Ponus YC. Turn right, go over the hill and Ponus Yacht Club will be immediately in front of you. Overall, only about 1/3 mile from I95. ..._/_)
