Local Navigation Notes:

Communications:

1. VHF Radio Channel 72 is used by SUS for inter-boat communication.
2. Skippers cell phones may be used on occasion for communication.
3. It is recommended that each skipper check in with the lead skipper at 15 minutes after each hour, and for safety reasons, upon arriving at the scheduled destination.
4. Any skipper deviating from the planned sailaway destinations shall notify the lead skipper of that skippers alternate destination.

Miscellaneous information:

Contact the Lead Skipper prior to the Sailaway date for other information.
